

Pre-Medicine Academic Enhancer Graduate Programs Offered by the Department of Anatomy and Cell Biology of the GW School of Medicine and Health Sciences

Option 1: Graduate Certificate Program in Anatomical and Translational Sciences (GCATS)

- Microscopic Anatomy
- Embryology
- Special Topics in Regenerative Medicine
- Translational Research
- Gross Anatomy
- Special Projects in Anatomy
- Neuroanatomy
- Special Topics in Regenerative Medicine
- Translational Research

Option 2: Master of Science in Anatomical and Translational Sciences (M-ATS)

- Microscopic Anatomy
- Embryology
- Special Topics in Regenerative Medicine
- Translational Research
- Gross Anatomy
- Special Projects in Anatomy
- Neuroanatomy
- Special Topics in Regenerative Medicine
- Translational Research
- Fundamentals of Translational Science
- Genomic Medicine
- Pharmacology I
- Pharmacology II
- Pharmacogenomics & Personalized Medicine
- Ethics for Translational Sciences
